

EXHIBITOR CAMPING

Due to the high number of campers, we have now strictly limited it to 30 campers for the Exhibitors. Camper size is our other issue. Each camping space is for campers up to 35ft long. If your camper is longer, you would need to purchase 2 spaces. The measurement is from back bumper to the tongue of the trailer.

Each Exhibitor camping space is \$100. Only exhibitors and their employees may stay in the Exhibitor Campground (this is not for friends attending). If you are tent camping, the cost will only be \$50. To purchase one of these passes you must call Mark at **740-435-3335** or email **mark@deerassic.com**.

If you put your camper or tent at your exhibitor booth space then the cost is still FREE but we can only guarantee a 110 hook-up (you can bring your own generator if you would like). Starting Thursday, August 3 at 1pm, there will be restrooms and a shower unit available to the **Exhibitors only** near the Exhibitor campground area. Electric will be available for all campsites.

All exhibitor campers must be moved in by Thursday, August 3 by 6pm. If you want to bring your camper out before Thursday, August 3rd, please email **mark@deerassic.com** and we can coordinate a time to bring it out.

HOTELS *Book your rooms now! Space is limited!*

There are numerous hotels located in Cambridge, Ohio which is about 10 miles from the Deerassic Classic. We do not have any "Deerassic Blocks" this year, so our suggestion is to reserve one on the internet (such as hotels.com) or by calling one of the hotels listed below. The Deerassic Classic is not associated with any hotels listed. We do recommend reserving a room as soon as possible because they will be sold out.
